

Certificate of Technology Compliance

Re: Fragrance: CITRUS FRESH FRAGRANCE

This is to confirm that the fragrance named CITRUS FRESH FRAGRANCE supplied by Fizzywhiz has been designed according to malodour counteractancy principles developed by Givaudan and embodied in creative databases.

The Fizzywhiz technology is based on the extensive testing of fragrances and/or fragrance materials against a standard in-house portfolio of malodorous materials selected to model environmental and domestic malodours such as cooking, mould/mildew, toilet and smoke as appropriate. Date: 19/Jul/2023
