Re: Fragrance: PET FRESH CUTIE PAW FRAGRANCE

This is to confirm that the fragrance named PET FRESH CUTIE PAW FRAGRANCE supplied by Fizzywhiz has been designed according to malodour counteractancy principles developed by our Perfume House and embodied in creative databases.

The technology is based on the extensive testing of fragrances and/or fragrance materials against a standard in-house portfolio of malodorous materials selected to model environmental and domestic malodours such as cooking, mould/mildew, toilet, and smoke as appropriate. Date: 19/Jul/2023
