Certificate of Technology Compliance

Fragrance: ENERGISE FRAGRANCE

This is to confirm that the fragrance named ENERGISE FRAGRANCE supplied by Fizzywhiz complies with the formulation guidelines set down in International Patent Publication number WO 2008/050084. This application relates to a fragrance composition adapted to deliver positive mood benefits, particularly invigorating, to a human subject.

The Givaudan technology is based on extensive testing of fragrances for which consumers were asked to express how the fragrances made them feel using appropriate direct mood scaling and indirect methodologies proprietary to Givaudan. Perfume compositions created in accordance with the creative guidelines have been found to improve well-being through promotion of pleasant, invigorated moods.
