

Certificate of Technology Compliance

This is to confirm that the fragrance named FOREST PINE & CEDARWOOD FRAGRANCE supplied by Fizzywhiz complies with the formulation guidelines set down in a Patent Application yet to be published (publication number pending). This application relates to a fragrance composition adapted to evoke the concept of attraction and sensuality to a human subject.

The Givaudan technology is based on extensive testing of fragrances / fragrance materials, and associated consumer studies, methodology proprietary to Givaudan, allowing an objective validation of the concept of sensuality triggered by the exposure to a fragrance. These fragrance compositions created in accordance with the creative guidelines have been found to evoke sensuality among consumers.
